Education

2021 - 2026 **PhD., Ecology and Evolution**, Universidade do Estado do Rio de Janeiro

Advisor: Dr. Eugenia Zandonà

2019 - 2021 **M.Sc., Biodiversity (Ecology)**, Universidade Federal do Estado do Rio de Janeiro

Advisor: Dr. Timothy P. Moulton

2015 - 2019 **B.Sc. in Biological Sciences** – Universidade Federal de Mato Grosso

Undergraduate advisor: Dr. Cassia Yano

Awards & Funding

- 2025 – Endowment Award, Society for Freshwater Science, USD 2,000
- 2024 - Stoich Project Travel Award, USD 1,000
- 2024 – CAPES-Print Fellowship to study abroad, USD 21,400
- 2023 - Conference on Biological Stoichiometry Travel Award, USD 2,000
- 2022 – American Fund Award, Society for Freshwater Science, USD 1,500

Teaching & Mentorship

Teaching Assistant

2023 Theoretical and Applied Ecology, Universidade do Estado do Rio de Janeiro, Brazil.

Mentorship of Undergraduate Students

* denotes a student who was hired for internships in the context of my mentorship

- João Emanuel Evangelista, 2022-2024 Undergraduate Student, UFMT *
 - Laura Vitória França, 2022-2025 Undergraduate Student, UFMT
 - Sophia Carlino Milesqui, 2022-2025 Undergraduate Student, UFMT

Outreach

- | | |
|------|--|
| 2024 | Participated as an educator, engaging the local community in discussions about the water quality and the role of biodiversity in streams from Cerrado and Pantanal during a workshop and a promotional event from SESC Pantanal. |
| 2023 | Participated as an educator, engaging the local community in discussions about stream and river ecology and biodiversity during the Enduro a Pé event at SESC Pantanal – Parque Serra Azul. |
| 2023 | Volunteered to design and deliver interactive workshops for low-income public school students in Rio de Janeiro, Brazil. Activities focused on freshwater ecology, biodiversity, and the importance of conserving stream ecosystems. |
| 2022 | Participated as a volunteer educator, engaging low-income public school students in Rio de Janeiro, Brazil, through hands-on activities and discussions on stream ecosystems, aquatic biodiversity, and ecological conservation. |
